Social skills and competences	<p>I am a communicative person proving very good communicative skills towards my colleagues, but also towards my pupils and community. Mostly we work as a team at projects and activities that we develop in school and outside; and I have reached the conclusion that team work is essential in my activity.</p> <p>I mention the fact that beginning with the school year 2010-2011 I am a methodist of the School Inspectorate of Alba County.</p>
Organisational skills and competences	<p>I had been Education Director at the school where I work for four years. Having this job, I successfully coordinated and guided the school educational activity, I contracted partnerships with the insitutes from Blaj and some town schools, I organized activities within the educational projects collaborating with all my colleagues and the pupils that I coordinate. I also participated to almost all the town, county, even national competitions, having good results to all these activities.</p> <p>I have coordinated for many years the activity of Primary School teachers methodical Committee in school, at present I am Coordinator of Quality Assessment Comitee in school, and beginning with the school year 2012-2013 I am responsible of the EU Projects, having attended a training course "Initiere in elaborarea de proiecte cu finantare europeana in cadrul programului de invatare pe tot parcursul vietii LLP" (Initiation in writing EU projects within LLP lifelong learning programme). Within these Committees I collaborated very well with my colleagues in all the developed activities, I coordinated several educational projects that lead to getting excellent results in school and in other schools.</p> <p>I am open to new experiences and that is why I always research and update my colleagues in order to renew the educational activity that I have been developing for more than 30 years. I participate to exchanges of experience with other schools and I take part in all the training courses that are organized at local, county and national levels.</p>
Computer skills and competences	<p>Along the years I have participated in four computer courses and I have gained lab using management skills. As I am a teacher and I use these skills every day, I have participated with my students in competitions organized by edu.creativ.ro where we got excellent results. I have been teaching the Computer science optional course for several years, teaching the students how to use the computer and all the programmes adequated to their age.</p>
Other skills and competences	<p>I have been working for many years as a primary school teacher with children with special educational needs. In order to improve this way of working I attended " Modulul de pregatire psihopedagogica pentru educatie speciala " (Psychopedagogical Training Module for Special Education) and the support teacher course within a PHARE project, these helped me to understand these children and to find out new methods of working with them. I relate very well with my colleagues, with the school principal and with the students because I am an open and communicative person.</p> <p>As the school population is over 70% Romani I attended the course " Istoria romilor din perspectiva interculturala" (Romani History from intercultural perspective), and not only for that, but I obtained excellent skills in collaborating with the Romani community.</p> <p>In order to improve myself , starting with 2006 I followed the courses of the University "1 Decembrie 1918" and I graduated in 2009, obtaining the diploma for Preschool and Primary School teacher, and this year I graduated from the MA Degree "Psihopedagogia educatiei timpurii si a scolarii mici" (Early Childhood Education and Small Scholastic Psychopedagogy) within the University " 1 Decembrie 1918" Alba Iulia</p>
Driving licence	Yes/ B category
Additional information	<p>I obtained Teaching rank one in the school year 1995 -1996.</p> <p>I also graduated the initiation courses in using the computer in schools at National College"l. M. Clain" Blaj on 25th March 2002, organized by CCD Alba.</p> <p>On the 30th October 2000 I participated in the lifelong training course " Strategii psihopedagogice de optimizare a invatarii si adaptarii scolare la copiii cu cerinte educative speciale" (Psychopedagogical Strategies for improving learning and school adaptation of children with special educational needs), organized by CCD Alba</p>
Annexes	I mention the fact that the supporting documents of the trainings and studies will be presented personally.
